

January 10, 2014

Dear Client:

It is time for another tax season and we look forward to assisting you with your tax preparation. We hope that you have been able to survive the ups and downs of this past year.

We have expanded our tax organizer to help you in assembling your tax information. Use it as a guide, but please bring the original documents with you to your appointment, just as you have in the past. Please call if you have any questions.

Call our office (480-898-7640) and schedule your tax appointment early.

Visit our website ([foxpeterson.com](http://foxpeterson.com)) for tax tips and helps in preparing your taxes, tracking your refund or learning about some tax topics.

This year's news: Anyone with an adjusted gross income starting at \$200,000 (single) or \$250,000 (married) will see substantial changes to your 2013 returns. There are many changes due to the new "Obamacare" taxes. This makes personal and business tax planning even more important than ever. Due to the increased complexity of the tax laws and tax preparation brought on by the new tax, there will be a modest increase in the cost of tax preparation this year

The IRS has vastly expanded its audit programs, as it has been directed by Congress, to "close" the tax gap. As a result, more audits and spot checks are to be expected. Protect yourself: keep good records, and keep them for at least 6 years. Never ignore correspondence from tax authorities, but always be skeptical. The IRS has an annoying tendency to arbitrarily bill for taxes and penalties without first checking the facts.

We cannot guarantee that we can schedule tax appointments after April 10th, so please don't wait until the last minute. Clark and Craig will be out of the country for 2 weeks at the end of September. Therefore, we are requesting that ALL tax returns should be completed by September 15th in order to be filed by the October 15th deadline. We will also be charging a small fee of \$25 for filing extensions. If we do not have the necessary paperwork to complete the tax return by September 15th, there will be an additional charge of \$100 in addition to the normal tax preparation fees. We cannot guarantee that any tax returns on extension that are received after October 1st will be able to be completed on time. We look forward to your call for an appointment and serving you again this year.

The IRS has vastly expanded its audit programs as it has been directed by Congress to "close the gap". As a result, more audits and spot checks are to be expected. **Protect yourself: Keep good records and keep the record for at least 6 years.** Never ignore correspondence from tax authorities, but always be skeptical. The IRS has an annoying tendency to arbitrarily bill for taxes and penalties without first checking the facts.
